Park upgrades at Jonathan Park (39 Salengro Crescent)

MONCTON – The City of Moncton would like to advise the public of the construction of Jonathan Park and walking trail beginning this week. Duration of the construction is expected to be three months.

The new community park will contain new play equipment, a shade shelter, seating, a skating rink and trail.

The City regrets any inconvenience this may cause and appreciates your patience during construction of the new park for the community.

For more information, please contact the City of Moncton at 853-3516.
