Park upgrades at Renton Park
(280 Noël Street)

MONCTON – The City of Moncton would like to advise the public of construction at Renton Park beginning next week. Duration of the construction is expected to be three months.

The upgrades to this community park include new play equipment, an event shelter and seating.

The City regrets any inconvenience this may cause and appreciates your patience during construction of the new park for the community.

For more information, please contact the City of Moncton at 506-853-3516.
