

Skating Safety Rules

All skaters **MUST** wear a CSA approved ice sports helmet (no bike helmet allowed).

It is strictly forbidden at any time:

- To be on the ice without skates
- To carry a child in your arms or on your back (including in baby carriers)
- To congregate in groups, skate in chains, skate backwards, or skate against the flow of traffic
- To use electronic devices (ex. headsets, cellphones, etc.)
- To sit on or jump over the boards
- To use supports (ex. chairs, sleds, strollers, and pylons)
- To use hockey equipment (sticks, pucks and nets)
- To eat or drink on the ice
- To engage in horseplay, to play tag or racing games, or to practice figure skating manoeuvres

Those who fail to follow the safety rules or display any other behaviour deemed unsafe by arena employees will be asked to leave the facility.

Please skate at a sensible speed, adhere to the directions of arena employees, and report all accidents or injuries to arena staff.

Young skaters or beginners should skate in the centre ice circle, where there is less danger to them being bumped into.

The facility is not responsible for accidents and lost or stolen items. Skate at your own risk.

There are no refunds on public skating admissions.
