CONFIRMATION OF CONSTRUCTION FIELD REVIEW (A form must be completed for each required discipline)	**Form 38**
Project Description:	**Permit Number:**
Project Address:	

In accordance with form 37, I declare that:

1. I am the Professional who completed the form titled FIELD REVIEW COMMITMENT (form 37) for the discipline as identified below, or the successor to the Professional who completed said form.
2. Field reviews of this discipline, at intervals appropriate to the stages of construction, were conducted for the duration of construction.
3. The construction is in general conformance with the plans and other documents that formed the basis for the issuance of a Building Permit.
4. All approved changes to this discipline's design during construction conform to the requirements of the National Building Code, the National Energy Code of Canada for Buildings, and the Engineering Standards* (as applicable).
5. The project is now ready for its intended use.

* Engineering Standards refers to the "Commercial, Industrial, Institutional and Multi-Unit Residential Development Guidelines", the "Design Criteria Manual for Municipal Services" and the "City of Moncton Standard Municipal Specifications".
