Important Notes:

**Potholes** The City identifies potholes through regular patrols and as reported by the public to Public Works. If you see a pothole on a city street, call 506-859-2643 or report it online on "Report a problem". Courts have determined that municipalities are not responsible for damages caused by potholes. Unfortunately in this climate potholes are a fact of life, and claims for damage caused by potholes will be denied. Your only recourse would be to prove the City negligent in a Court of Law.

**Motor Vehicle Accidents** As per the Insurance Act, insureds now deal only with their own insurers and cannot claim against third parties or their insurance companies. Their own insurers will indemnify them for the cost of repairs as well as for damage to contents carried in the vehicle and its loss of use subject to the extent they are not at fault. Should you be involved in a Motor Vehicle Accident with a City of Moncton vehicle, and you feel that it is the fault of the driver of the City of Moncton’s vehicle, you will need to contact your insurance company and open a claim under Direct Compensation Property Damage (DCPD).

**When claims involve contracted companies** The City of Moncton frequently enters into contracts with independent companies (contractors) who perform work on the City’s behalf. The City’s agreements with the contractors contain a strict requirement that they respond directly to claims for any damage or injury they may have caused to the public. You are to submit your claim directly to the contractor for their investigation and liability determination.

If you still wish to pursue your claim after being denied compensation, your next option is to proceed with legal action. For more information regarding the claims process, please contact the City of Moncton’s Legal Department at 506-853-3550.
