MOTION CARRIED

5.
CONSENT AGENDA/QUESTIONS SOUMISES À L'APPROBATION DU CONSEIL

5.1 **Noise Exemption** – Softball Canada Event – August 11-17, 2019 (11:00 p.m. – midnight)

Motion: That permission be granted for a noise by-law exemption from 11 p.m. until midnight from Sunday, August 11 to Saturday, August 17, 2019 to accommodate evening stage entertainment at the Hal Betts Sportsplex during the 2019 Softball Canada Men's and Women's Canadian Slo-Pitch Championships.

5.2 **Street Closure and Noise By-Law Exemption** – 2019 Congrès mondial acadien – August 15-24, 2019 – Streets affected: Assomption Blvd.

Motion: That permission be granted for the following street closures to accommodate the events for Extrême frontière space of the Congrès mondial acadien from Thursday August 15 to Saturday August 24, 2019:

From 6 a.m. Thursday, August 15 until 8 p.m. Saturday August 24, 2019

- Closure of the east-bound lane of Assomption Boulevard from Lutz to Mechanic, leaving intersections of Assomption/Lutz and Assomption/Mechanic open.
- Closure of the west-bound lane of Assomption Boulevard from Main St to Westmorland St, leaving intersections of Assomption/Westmorland and Assomption/Mechanic open.
 - The west-bound lane will be reopened daily from Monday to Friday between 7 a.m. and 2:45 p.m.

That permission be granted for the following noise by-law exemption to accommodate evening stage entertainment on the riverfront as part of the celebrations of the Extrême frontière space of the Congrès mondial acadien:

- From 11 p.m. until 1:00 a.m. on Friday August 16 and Friday August 23, 2019
- From 11 p.m. until midnight for each night from August 17 – 22, 2019.

5.3 *Item removed* – **Street Closures and Noise By-Law Exemption** – 2019 Mosaïq Multicultural Festival – July 19-20, 2019 – Street affected: Downing Street

5.4 **Easement** – 680 St. George Street

Motion: That the City of Moncton enter into an Easement Agreement with the owner of land at 680 St. George Boulevard for the purposes of accommodating a storm sewer outfall, and that the Mayor and City Clerk be authorized to sign and affix the corporate seal of the City of Moncton to any document necessary to complete the transaction.

5.5 **YMCA Agreement** – Purchase and Sale

Motion: That the City of Moncton enter into an Agreement of Purchase and Sale and an Option with the Greater Moncton YMCA Inc. for the transfer of City property on Twin Oaks Drive, identified by PID 70569454, and that the Mayor and City Clerk be authorized to sign and affix the corporate seal of the City of Moncton to any documentation necessary to complete the transaction.

Motion: That the consent agenda be approved:

- **Noise Exemption** – Softball Canada Event
- **Street Closure and Noise By-Law Exemption** – 2019 Congrès mondial acadien
- **Easement** – 680 St. George Street
- **YMCA Agreement** – Purchase and Sale

Moved by: Councillor Lawrence

Seconded by: Deputy Mayor Turner

MOTION CARRIED

6.
PUBLIC AND ADMINISTRATION PRESENTATIONS/ EXPOSÉS DU PUBLIC ET DE L'ADMINISTRATIONS

6.1 **PUBLIC PRESENTATIONS/ EXPOSÉS DU PUBLIC – 5 minutes**

6.1.1 **Presentation** – Sistema – Ken MacLeod, President/CEO & Kim Shields, Trombone Teaching Artist
Mr. MacLeod and Ms. Shields came before City Council to provide an update on the Sistema Program in Moncton.

Principles:

- Social development – engage youth
- Intensity – 5 days a week for 3 hours
- Excellence

Sistema program in NB has 270 students every day and 85 of these students are in the Moncton Program. Sistema consists of 62 professional staff across the province, 19 at the Moncton campus. This program has provided access to Art for the citizens of Moncton. Forty performances netted 40,000 attendees over the past year.

Ms. Shields is an alumni of Sistema and is a part time trombone teacher. It was noted that only 31% of orchestra members worldwide are women and there are no female trombonists in any professional orchestra in the world. She is currently teaching 29 trombone students, and 20 of these are women. Ms. Shields introduced Grace Hamilton a trombonist student with Sistema; who will graduate this year from HTHS and has received a scholarship to the University of Toronto to further study of the trombone.

6.1.2 **Presentation** – Wynwood Basin – Jenny Beers & Susan Lurette, Citizens

Ms. Beers and Ms. Lurette once again came before Council to address their concerns with the location of the Wynwood Basin. They referenced a document from 2016 which indicates the location of the basin, and questioned as to why residents were only consulted in 2019. They also questioned the number of houses that would benefit from the basin, and its cost. They urged Council to either vote against or postpone the project. It is their belief that the project is moving too fast, and that further consultation with citizens is necessary.

City Manager Landry indicated that since the April meeting, administration has received some questions, concerns from residents in the area. He asked that if Councillors have questions, they should provide these to administration. Once all questions are compiled, a Q&A will be forwarded to residents and to elected officials.

Other Presentation/Autres présentations – 2 minutes

6.2 **ADMINISTRATION PRESENTATIONS/EXPOSÉS DE L'ADMINISTRATION – 10 minutes**

6.2.2 **Presentation** – Dialogue NB Communities Committee – Susy Campos, Moncton's Dialogue Community Leader

In 2018, DialogueNB refreshed the organization's mandate by focusing more broadly on the concept of 'social cohesion'. Several initiatives were created to support this mission, among which is the Dialogue Communities program. Moncton is part of the first cohort, and a solid citizen-based working group has been meeting monthly since December 2018.

Members are:

- Susy Campos, Leader
- David Michaud
- Jill Van Horne
- Junior Kalala
- Krysta Cowling
- Lorraine LeClair
- Mary Reid
- Xavier Infantas
- Nicole Melanson, City Liaison

Moncton's Dialogue Committee is proposing a community asset mapping exercise. It is recognized that some similar tools or documents may currently exist; however, nothing comprehensive has been found to date, and compiling the information in the City's Open Data portal will facilitate the potential creation of a user-friendly app.

Tasks & Timelines:

- Identify partners (May/June)
- Create Open Data & mapping portal (May–Aug.)
- Establish baseline from existing data (May–Sept.)
- Encourage all agencies, non-profits, etc. to submit their info (May–Dec.)
- Identify partners (May/June)
- Portal launch (Jan. 2020)
- Promotion (2020)
- Project evaluation (Spring 2020)

6.2.1 **Presentation** – Codiac RCMP Update – Superintendent T. Critchlow, RCMP & Charles Savoie, Director, Strategic Planning and Policing Support Services

Superintendent Critchlow provided an overview of the recent initiatives within the Codiac

Panhandling in the Downtown area – pilot project:

- Increase visibility of enforcement personnel in downtown area
- Data to be used for creation of strategic action steps to reduce

Auxiliary

- Auxiliary (Tier 1) program began in January 2019
- Services provided are the same
- More stable funding (part of the CRPA Budget)
- Auxiliaries focus only on tier 1 tasks – no board meetings, fundraising, purchasing, etc.
- RCMP Auxiliary program is standardized across Canada - Training, vehicles, uniforms, etc.

Superintendent Critchlow advised Council that with regard to any serious incidents within the city, the General Manager Safety Services will act as the portal between the RCMP and City Council and administration.

Staffing / New Demands from GNB

- Cover more Court time (due to backlog) – Addition of 2 new Court and Administrative Officers Requirement for a Court File Reviewer
- Emergency Intervention Orders – Increase in Victim Services file by 70%

Councillor Pellerin suggested that perhaps incorporate traffic calming, such as speed bumps, to reduce the increase amount of traffic calls. He also indicated the importance of having a neighbourhood watch program for Moncton. In response, Superintendent Critchlow indicated that this program is community based and not administered by the RCMP.

Councillor Crossman requested the number of drug recognition officers currently with Codiac.

6.2.2 **Presentation** – Dialogue NB Communities Committee – Susy Cmpos, Moncton’s Dialogue Community Leader

Item dealt with earlier in the meeting.

6.2.3 **Presentation** – 2019 National Public Works Week Poster

National Public Works Week is a celebration of the tens of thousands of men and women in North America who provide and maintain the infrastructure and services collectively known as Public Works.

This year’s poster theme is “It Starts Here” as the theme for the 2019 National Public Works Week. This theme represents the many facets of modern civilization that grow out of the efforts put forth by the public works professionals across North America.

This year National Public Works Week will be celebrated May 19th to May 25th, 2019. The City of Moncton has always participated in this celebration and there will be an employee appreciation breakfast held from 7:00am to 8:30 am at the Operations Centre on May 22, 2019.

7. PLANNING MATTERS/ QUESTIONS D’URBANISME

7.1 **Public Hearing** – 20 Record Street – Postponed (May 06, 2019) – Objections Received

Mr. Budd advised Council that administration received an application from Jim Scott of Trace Planning & Design on behalf of Slate Office REIT, owners of Moncton’s Blue Cross Building, to amend the list of permitted land uses within the CBD (Central Business District) Zone at 20 Record Street (PID 7036011) to allow a parking lot as a main use for a 10 year period. This proposal will assist Slate REIT with the retention and expansion of their existing clientele to continue to occupy and expand their operations within their building in the downtown core.

At the April 1, 2019 Regular Public Meeting, Moncton City Council resolved that a public hearing be scheduled for May 6, 2019 for the consideration of objections to the proposed Zoning By-law amendment Z-213.66 which was also given 1st reading by Council. Council also be referred By-law Z-213.66 to the Planning Advisory Committee for its written views.

A 365 surface parking lot is proposed for 20 Record Street on a 3.8 acre site that contains street frontage on the south-east corner of Record Street and Foundry Street intersection. The parking lot site also fronts onto Assomption Boulevard.

According to the Parking Facility Layout and Landscape Design, the parking lot will be accessed from card-activated entrances/exits on both Foundry and Record Streets. The lot includes the required landscape islands that also help to manage vehicle flow and break up the large asphalt facility.

At their April 24, 2019 meeting, the Planning Advisory Committee (PAC) recommended the project go ahead; however, recommended additional conditions. Since the PAC meeting, the applicant has reviewed the recommendations to Council and has sent a letter dated April 29, 2019 requesting some edits / adjustments to the conditions. At the May 6, 2019 Regular Public Council

meeting, Council postponed the Public Hearing to the May 21, 2019 Regular Council Meeting as per a request received by the applicant.

Jeremy Copp, Slate – Developer

Mr. Copp provided an overview of the types of properties Slate develops. Slate is providing a \$1.3M parking lot at 20 Record Street. For the most part, these parking spaces will be provided free of charge for employees of Slate Developments in the downtown core.

Objectors:

Robert Smith – Bingham on behalf of Heritage Ltd. – Not present at Public Hearing. A letter of objection was submitted and distributed to Council with their agenda package.

Anne Poirier-Basque – DMCI – DMCI objects to the development of a parking lot at 20 Record Street. DMCI encourages the City of Moncton explore the possibility of a parking structure. If this development is approved, it is DMCI's belief that the build of a parking structure will be placed on the back burner.

Alex Arsenaault – Student – Student at Université de Moncton and resident of Moncton – Mr. Arsenaault objects to the parking lot development at 20 Record Street. It is his belief that the City should continue to promote active transportation within the downtown area as stated within the Destination 2040 report.

Lise Ethier – Citizen – Ms. Ethier objects to the parking lot development. She expressed her concern with the amount of vehicles parking in this parking lot.

Krysta Cowling – Citizen – Presented results of a survey she released last week. Seventy-nine downtown employees answered the survey. Results saw that the following – how do you get to work: 75% drive, 35% walk, 25% bike, 10% bus. Do you want to see better active transportation system: 97%. Would you use active transportation – many individuals answered yes. Would you like to see more surface parking downtown – 75% no, 17% unsure, 8% yes.

Jim Scott, developer – Indicated that the Slate does not see more surface parking in the downtown area. The Destination 2040 Plan will take a few years to be established. The site at 20 Record Street is not included within the perimeter within the 2040 plan.

Councillor Lawrence requested that Council be provided the different levels of parking cost for Slate's properties.

Councillor Lawrence referenced concerns from the objection from Heritage in particular the unfair advantage for Slate.

Councillor Crossman questioned where the information on Blue Cross would leave the downtown core if this development does not go forth. It was noted by both Mr. Arsenaault and Ms. Ethier that this information was brought out by media coverage. Mr. Budd provided some potential clarification to the question, in Council agenda package, a letter from Mr. Jim Scott was included that stated that the development was based on retention of businesses within Slate's Blue Cross campus on Main Street.

The Clerk read into the record the objection from Bingham Law on behalf of Heritage Limited.

Councillor Lawrence questioned as to how many metered parking spots and how many are used on Assumption Blvd.

Mr. Budd indicated that Slate requested some changes, these changes are reflected in red within the April 29, 2019 letter from Slate.

The Mayor declared the Public Hearing adjourned 7:38 p.m.

Motion: That Moncton City Council proceed with the Zoning By-law amendment being By-law Z-213.66 and if approved, should be subject to a conditional zoning agreement, including but not limited to the following conditions:

- 1) That notwithstanding the Zoning By-law's Table 16.1 Downtown Zones Use Table, a non-building associated surface parking lot will be permitted as a main use of land at 20 Record Street subject to a maximum timeline of 5 years ending on June 30, 2024 with potential for a limited renewal period at Council discretion under the following conditions:
 - a) Slate has moved forward with new building plans and / or public / private parking garage on its land holdings adjacent to its Blue Cross Building as part of an expansion of its Blue Cross Campus, and / or at their 20 Record Street property by June 30, 2022;
- 2) At the end of 2 years (June 30, 2021), Slate has begun working in partnership with City of Moncton and its tenants on alternative parking and transportation solutions that reduce

commuter parking demands in the downtown through, but not limited to, active transportation, employee transit programs, ridesharing / carpooling, destination park and ride shuttle / and or other enhanced transit options.

- 3) That by June 30, 2022 if conditions 1(a) or (2) above have not been met, the City of Moncton reserves the right to rescind the subject by-law amendment approval to provide parking as a main use at 20 Record Street. If this occurs the City shall provide written notice to Slate that the subject use is no longer approved and the use of the subject lot for parking is to halt within 6 months of the date of the written notice;
- 4) That the recommendations of the Trip Generation and Queuing Traffic Impact Report on the parking lot be implemented;
- 5) That the parking lot and landscaping be completed by September 30, 2019;
- 6) That the parking lot at 20 Record Street be made available as Public Parking during evenings and weekends as either paid or un-paid parking at the owner's discretion; and
- 7) That the development be carried out in substantial conformance with the plans and drawings submitted as Schedule B.

In addition to the above recommendations, the PAC strongly recommends that the downtown parking plan be implemented into Council's Strategic Plan.

It is also important to note as part of enacting a by-law that section 110(2)(b) of the Community Planning Act indicates that if the by-law fails to give effect to the views of the planning advisory committee, a majority of the members of council is required to vote in favour of making the by-law. This would also apply to any changes to the recommended conditions.

Moved by: Deputy Mayor Turner
Seconded by: Councillor Butler

Councillor Hicks is looking for direction from Administration as to the parking situation in the downtown core. City Manager Landry advised that the transportation documents are going to be review. The strategic plan will see an allocation of \$500,000/year for parking infrastructure.

Deputy Mayor Turner quoted the letter from Slate April 29, and asked that the date be changed from September 30, 2019 to December 31, 2019. Both the mover and the seconder agreed to change condition #5 to reflect the following:

- 5) *That the parking lot and landscaping be completed by December 31, 2019.*

Mayor Arnold indicated that the City must make better effort on active transportation. Park and rides must be explored and implemented. She provided a few examples of other options such as carpooling, promote the downtown employer bus passes, and make the city more walkable, adding more 12-hour parking along Assomption Blvd.

MOTION FAILED

Nay:
Mayor Arnold
Councillor Pellerin
Councillor Hicks
Councillor Boudreau
Councillor Léger
Councillor Thériault
Councillor Crossman

8.

STATEMENTS BY MEMBERS OF COUNCIL/ EXPOSÉS DES MEMBRES DU CONSEIL

Statements were postponed this evening.
