PUBLIC AND ADMINISTRATION PRESENTATIONS

6.1 PUBLIC PRESENTATIONS

5 minutes

6.1.1 **Presentation** – Police Body Cam – Ryan Hillier

Mr. Hillier provided an overview of research compiled on the use of police body worn cameras (BWCs). According to research by Goodison and Wilson (2017), in their randomized controlled experiment, found no significant differences in citizens' perceptions of police legitimacy, satisfaction with the interaction, or views of police professionalism between those who interacted with officers wearing or not wearing BWCs. These findings suggest that citizens' satisfaction and perceptions are likely conditioned by officers' actions and how they treat and speak to people, not just whether they are wearing BWCs, which in this case does not seem to have changed officers' behaviors.

It is his opinion that such use of such technology should be halted until further research is available.

It was suggested that perhaps Council and administration review the matter, and that Mr. Hillier present to the CRPA.

Superintendent Critchlow advised Council that the Federal Government and the RCMP are looking to provide greater transparency in policing. The use body worn cams allow for transparency and provides a record of what happens during interaction between an officer and citizen. He advised Council that BWCs are currently being piloted in Nunavut.

6.2 ADMINISTRATION PRESENTATIONS

15 minutes

6.2.1 **Update** – COVID-19 (Coronavirus) – Marc Landry, City Manager; Conrad Landry, Fire Chief
Mr. Landry indicated that there are currently 14 active cases in our Zone as of today. Chief Landry encouraged citizens to download the COVID app and wear their masks.

6.2.2 **Update** – RCMP – Tom Critchlow, Codiac RCMP Superintendent
Superintendent Critchlow spoke of the weekly Sunday anti-mask protest. The past two weeks the anti-maskers have been abiding by the 2 metres, and if not able to do so, wear a mask. He advised Council that another member has tested positive for COVID, once again the transmission was due to responding to an emergency call. Stats for January are posted on the website.

PLANNING MATTERS

7.1 **Rezoning** – 119 Cameron Street (Introduction)

Mr. Budd advised Council that an application has been received from Amico Construction (2018) Inc. (agent) on behalf of 713651 NB Inc. (landowner) to rezone a portion of the property located at 119 Cameron Street (identified as PID 70661749) from UR (Urban Residential) zone to SBD (Secondary Business District) zone.

The rezoning will allow this portion of the property to be used as parking for a new multiple unit dwelling development.

The subject property was previously five (5) downtown lots that were assembled to accommodate a new 86-unit apartment building. The application before Council is to rezone the UR portion of land to SBD to accommodate approximately fifteen (15) parking spaces. The building itself is permitted and has already received permits for construction.

The Zoning By-law requires that parking be on the same lot and in the same zone as the main building it serves. Given the historical lot fabric, the property on Cameron Street was zoned UR (Urban Residential) whereas the four (4) properties on Weldon Street were zoned SBD (Secondary Business District). Given the lot configuration, the apartment project was designed to have vehicular access from Cameron Street; and the frontage on Weldon Street could be entirely residential.

A public hearing is being proposed for the regular public council meeting of March 15, 2021.

Motion: That Moncton City Council proceed with the rezoning process for By-law Z-220.5, and:

- 1) That Council give 1st reading to By-law Z-220.5;
- 2) That a public hearing be set for March 15, 2021; and
- 3) That By-law Z-220.5 be referred to the Planning Advisory Committee for its written views; and

The rezoning, if approved, should be subject to a conditional zoning agreement, including but not limited to the following conditions:

1. That this rezoning approval shall expire within forty eight (48) months of it coming into effect unless a development permit is obtained;
2. That this agreement is to be signed and executed within 12 months of 3rd reading;
3. That nothing contained herein shall prohibit or in any way limit the Developer's right to apply for a variance pursuant to the provisions of the Community Planning Act;
4. That all uses of land pursuant to this agreement shall conform to the provisions of the City of Moncton Zoning By-law, as amended from time to time, except as otherwise provided herein;
5. That the \$1000 security deposit required for a Conditional Rezoning Agreement and by-law registry fees be paid prior to registration;
6. That following receipt of a written request from the owner of the property or any infant thereof, the City will, from time to time, at its sole discretion, prepare and execute releases of this Agreement, provided that the Agreement no longer has effect on the property. In all cases, the Owner will pay the City's administrative fee for preparing and signing a discharge and is responsible for all other legal, registration and other expenses, whether the discharge is prepared by the City, the Owner's solicitor or another person; and
7. That the development be carried out in substantial conformance with the plan submitted as Schedule B.

7.2 **Rezoning** – 1530 Ryan Street (Introduction)

Mr. Budd provided Council a presentation on an application received from Richard Betsch, 669776 N.B. Ltd. (agent), on behalf of Congregational Christian Church of Moncton Inc. (landowner) to rezone the property located at 1530 Ryan Street (identified as PID 70354139) from R2 (Two Unit Dwelling) Zone to P1 (Community Use) Zone.

The rezoning will allow the property to be used as a daycare centre (after school program) for Kingswood Academy Montessori School & Early Learning Centre.

The subject property is zoned R2 (Two Unit Dwelling) Zone and has been developed and used as a church (Congregational Christian Church of Moncton) since 2004. The large site is approximately 11 acres in size, and includes the existing building and parking lot, as well as a large undeveloped treed portion.

Kingswood Academy has been operating as a daycare, after school care, and private school in Moncton for the past 14 years. They relocated to their current main building at 1535 Ryan Street in 2014 from Hildegard Drive.

A Public Hearing is being proposed for the regular public council meeting of March 15, 2021.

Motion: That Moncton City Council proceed with the Zoning By-law Amendment being By-law Z-220.4 and:

- 1) That Council give 1st reading to By-law Z-220.4;
- 2) That a public hearing be set for March 15, 2021; and
- 3) That By-law Z-220.4 be referred to the Planning Advisory Committee for its written views; and

The rezoning, if approved, should be subject to a conditional zoning agreement, including but not limited to the following conditions:

1. That this rezoning approval shall expire within forty eight (48) months of it coming into effect unless a development permit is obtained;
2. That this agreement is to be signed and executed within 12 months of 3rd reading;
3. That nothing contained herein shall prohibit or in any way limit the Developer's right to apply for a variance pursuant to the provisions of the Community Planning Act;
4. That all uses of land pursuant to this agreement shall conform to the provisions of the City of Moncton Zoning By-law, as amended from time to time, except as otherwise provided herein;
5. That the \$1,000 security deposit required for a Conditional Rezoning Agreement and by-law registry fees be paid prior to registration;
6. That following receipt of a written request from the owner of the property or any infant thereof, the City will, from time to time, at its sole discretion, prepare and execute releases of this Agreement, provided that the Agreement no longer has effect on the property. In all cases, the Owner will pay the City's administrative fee for preparing and signing a discharge and is responsible for all other legal, registration and other expenses, whether the discharge is prepared by the City, the Owner's solicitor or another person; and
7. That the development be carried out in substantial conformance with the plan submitted as Schedule B.

Moved by: Councillor Butler
Seconded by: Councillor Hicks

It was questioned if there would be a traffic study for the rezoning. Mr. Budd indicated that a traffic study was not warranted as per Engineering; however, it will be brought the PAC meeting for review.

7.3 Amend Schedule F – Snow Dump Overlay Area, in the Zoning By-law, at 605 Caledonia Road

Mr. Budd informed Council that Administration is proposing to amend the Snow Dump Overlay Area Map (Schedule F) in the Zoning By-law in order to designate and develop a new municipal snow dump on the north east side of the City at 605 Caledonia Road.

Although a large new snow dump was designated and created on the west side of the City off of Berry Mills Road in 2013, the Public Works Department has acknowledged that transporting snow from the east side of the City to the west side for dumping can be onerous, time consuming and costly. Having a snow dump on the east side of the City (for City use only) would mean less traveling, less time spent moving the snow, less City resources and less cost.

The subject site is located on Caledonia Road on a large property owned by the City of Moncton. The property is approximately 10 hectares in size (25 acres). It is currently vacant and used as a fill dump site for surplus fill coming from City maintenance operations (primarily Utility digs). The interior of the site has been cleared leaving a 30-metre-wide fully vegetated buffer around the entire perimeter of the site. In addition to this 30 metre perimeter buffer, the south side of the lot has a fully treed buffer over 70 metres wide

Motion: That Moncton City Council proceed with the proposed by-law amendment and:

- 1) Give 1st reading to Zoning By-law amendment Z-220.2;
- 2) Set a public hearing for March 15, 2021; and
- 3) Refer the proposed By-law Z-220.2 to the Planning Advisory Committee for its written views.

Moved by: Deputy Mayor Crossman
Seconded by: Councillor Boudreau

Mr. Richard, in response to Councillor Butler's question, indicated that he would get back to Council as to the need for an environmental assessment for burning of asphalt within close proximity of a residential neighbourhood. He will also clarify if there is a need for a similar assessment for the dump at the causeway.

Seconded by: Councillor Lawrence

MOTION CARRIED

- 3) That Moncton City Council authorize Administration to prepare a Purchase and Sale Agreement with the Estate of Gerard Gallant to purchase PID00799262, located on Frontenac Drive, in the City of Moncton, New Brunswick; and that the Mayor and City Clerk be authorized to execute all documents necessary to complete the purchase transaction and to affix the Corporate Seal of the City of Moncton thereto.

Moved by: Deputy Mayor Crossman

Seconded by: Councillor Thériault

MOTION CARRIED

- 4) That Moncton City Council authorize the City to enter into an agreement with the Canadian Corps of Commissionaires NB & PEI Division Inc. for the provision of Community Officers, and that the Mayor and City Clerk be authorized to execute all necessary documents and to affix the Corporate Seal thereto.

Chief Landry provided a brief overview of the proposal. Over the past few months, a review of the By-Law Enforcement and part of this review was to overhaul the by-law officers.

Currently proposing:

- Hire eight community officers, with policing background
- Patrol 20 hrs/day
- Uniform presence
- City Ambassadors
- Enforcing by-laws

Moved by: Councillor Lawrence

Seconded by: Councillor Léger

Councillor Pellerin entered the meeting @ 5:17 p.m.

Councillor Butler requested that Council be provided an organization chart for By-Law Enforcement. Councillor Butler expressed concern with hiring less commissioners and providing more hours.

Deputy Mayor Crossman asked that measurables be established to capture what is being done during the hours of work.
