6.1.2 Presentation – Social Justice – Sister Auréa Cormier and Robert McKay

Representatives of the Moncton Chapter of the Common Front for Social Justice, spoke on required changes to the Social wage exemption policy for social welfare recipients

Having a \$500 wage exemption prior to claw back would eliminate the fear many social assistance recipients have that earning more than \$150 a month would mean losing their welfare cheque, medical card, and other benefits. The proposal would allow social assistance recipients to improve their quality of life.

Councillor Pellerin indicated that in his opinion, the Province of New Brunswick should provide the additional \$500 being proposed for low-income families.

In response to Councillor Thériault, Mr. Landry advised that following the Social Inclusion Plan review, administration and the committee could review this endeavour.

Sister Cormier noted that conversations have taken place with the Province regarding this endeavour.

Sister Cormier advised Council that the Province has indicated they will meet with the Common Front for Social Justice following the presentation of the Provincial budget to discuss the proposal.

It was noted that this matter should be reviewed by the Social Inclusion and Poverty committee. Councillor Léger, as the chair, will contact Mr. McKay to invite the group to attend the next committee meeting.

Motion: That Moncton City Council give first reading to By-Law # H-102.4, being a By-Law in Amendment of By-Law # H-102, to enable the City of Moncton to give an exemption to golf course owners to conduct operations and maintenance, and for road construction on a Provincial Highway, outside of the hours of 7am to 11pm.

In response to a question from Councillor Léger, Mr. Robichaud advised that the noise disturbance from Jake brakes could be enforceable; however, would be difficult to enforce. Councillor Léger asked that Council be provided an update on this topic. What can we do as a municipality and how can we lobby the Province to allow a by-law enforcing the banning the use of Jake brakes.
