- a full street closure of Canada Street from Main Street to the Via Rail Parking Lot (leaving open access to the Via Rail Parking Lot) from 6 a.m. to 12 p.m. on Sunday, October 24.
- a full street closure of Assumption Boulevard from Vaughan Harvey Boulevard to Main Street from 6 a.m. to 10:30 a.m. on Sunday, October 24

Moved by: Councillor Kingston
Seconded by: Councillor Edgett

MOTION CARRIED

6. PUBLIC AND ADMINISTRATION PRESENTATIONS/EXPOSÉS DU PUBLIC ET DE L'ADMINISTRATIONS

6.1 PUBLIC PRESENTATIONS/EXPOSÉS DU PUBLIC

5 minutes

6.1.1 **Presentation** – Recovery Day 2021 – Dr. Susan Crouse – Salvus Clinic
Dr. Crouse invited Council to the 7th annual Recovery Day to be held on September 28, 2021 @ 1:00 pm. The event will once again be celebrated virtually due to the pandemic and will be offered as a FaceBook live event. Addiction is a health issues that impacts millions of Canadians. Many of these Canadians face challenges accessing the services needed to recover from an addiction.

6.1.2 **Presentation** – Public Safety Issue – Discarded Syringes – Dereck Slattery

Mr. Slattery came before Council to express his, as well as his neighbours, concerns with the lack of police presence and/or action for the continued drug use in public parks/places, theft, violence, etc. within their downtown neighbourhood. He provided a PowerPoint to demonstrate the situation within his neighbourhood.

He encouraged more police presence in the neighbourhood as the residents do not feel safe.

Councillor Butler expressed his concern with the lack of the education to citizens on how policing works.

A/Officer in Charge DeSilva advised members of Council, and the public, that additional officers have been added to the downtown core.

Mr. Slattery indicated that during the summer months, residents cannot enjoy their properties, nor are the citizens of Moncton able to enjoy Victoria Park due to the illegal drug use, etc. in the park.

Mr. Slattery spoke to a citizen on patrol program being developed with the help of both City of Moncton and the RCMP.

A/Officer in Charge DeSilva indicated that an officer can be detained on a mischief charge for 24-hours. Should the offence be of a more serious case, it would go before a judge. He encouraged citizens to call the RCMP if they feel an offence is taking place. A/Officer in Charge DeSilva spoke to the priority system of calls. He advised Council and the citizens that the additional officers patrolling the downtown core are not part of the priority call system.

Mr. Slattery spoke of the organizations supplying free meals, free needles to these individuals and the fact that these actions are an attraction for others to come to Moncton.

Mayor Arnold invited all to attend the community forum on Homelessness and Downtown Security to be held September 23 at the Delta.

Priority areas to be reviewed:

- Shelter – what is the role
- Mental Health support
- Complex needs pilot
- Safe Supply
- Housing First and better law enforcement

In response to a question from Councillor Richard, A/Officer in Charge DeSilva advised that citizens should contact Codiac's Community Policing Unit to establish a Citizen on Patrol program.

In response to Councillor Thériault's question, the City Manager indicated that the City of Moncton is working with Cities of New Brunswick on these issues.

Deputy Mayor Léger requested that the Facebook Page for Codiac Regional Citizens on Patrol Association be promoted.

6.1.3 **Presentation** – Concerns Regarding Policing and Justice in Moncton – Hafsah Mohammad

Presentation cancelled

6.1.4 **Presentation** – 2022 Masters World Championships – Jenna Morton, Greater Moncton Scottish Association

Ms. Morton came before Council to promote the 2022 Masters World Championships from June 17-19, 2022. This event will welcome approximately 200 athletes. These championships are geared towards the heavy events.

Other Presentation/Autres présentations

2 minutes

6.2 ADMINISTRATION PRESENTATIONS/EXPOSÉS DE L'ADMINISTRATION

15 minutes

6.2.1 **Heritage Conservation Board** – Launch of Heritage Week 2021 & Heritage Plaques presentation

Mr. Jean-Pierre Charron, Senior Planner – Heritage Conservation and Mr. Blane Hogue, Chair of the Heritage Conservation Board provided an overview of the workings of the Board and the launch of Heritage Week.

In 2018, the Heritage Conservation Board adopted a revised three-year Strategic Plan that includes a Communication Plan. The Strategic Plan was developed to provide guidance and direction on strategic heritage conservation priorities identified in the City's Strategic Plan under the Cultural pillar.

The board believes that an annual Heritage Week can be a way for them (Board) to achieve some of the identified actions item priorities, which includes promotion, awareness, and education, all within the objective of highlighting the importance of heritage conservation to the community.

Heritage Week Program overview:

- Tuesday, September 21 – Educational Webinar – Benefits of Heritage Planning and Preservation
- Tuesday-Friday – September 21-24 – Virtual Doors Open Tour
- Tuesday, September 21 – Free Meeting House Doors Open Tour
- Thursday, September 23 – Heritage Award Ceremony
- Friday, September 24 – Inauguration of Parc René-Artur Fréchet Park
- Saturday, September 25 – Launch of Cultural (and Heritage) Scavenger Hunt

Mayor Arnold and Councillor Thériault presented two Heritage Plaques to the owner of Bonnacord House – Ian Hubbard and the Former Moncton Hospital – King Street – Soeur Judith and Soeur Stella.

Councillor Thériault thanked the Board members, as well as administration, for their tireless work on heritage within the City of Moncton. Councillor Thériault encouraged citizen to take part in the National Heritage conference from September 29 – October 1.

Councillor Bourgeois requested that a plaque be placed within the different older neighbourhoods i.e., Parkton, Sunny Brae, Humphreys, etc.

6.2.2 **NB HealthADAPT Vulnerability Assessment Results** – Elaine Aucoin, Director Environmental Planning and Management, Tracey Wade, Project Lead, NB Department of Health and Melanie Madore, Senior Program Advisor, NB Department of Health

The NB HealthADAPT pilot project is part of ten pilot projects funded by Health Canada to prepare and respond to the impacts of Climate Change. The objective is to carry out a climate change health and vulnerability assessment using the Health Canada model and adapting it to the local context.

Health Canada developed a guidebook to help local and regional health agencies undertake a Climate Change and Health Vulnerability and Adaptation Assessment (CCHVAAs) across Canada. Under the current project, the province of New Brunswick will be using the model and adapting it to the local context to assess population health vulnerability to climate change in two communities: the City of Moncton and the Chaleur region. The objective is to help New Brunswick communities identify, adapt and respond to the impacts of climate change on human health. The City of Moncton's participation was approved by Council in December 2019 to represent a more urban context.

The NB HealthADAPT team has completed the vulnerability assessment and report based on consultation with several local stakeholders. The assessment is based on 3 main concepts:

- Exposure to climate risks (i.e. extreme weather events, poor air quality, etc)

- Sensitivity to that exposure (i.e. biological, social or geographic factors)
- Adaptive capacity

Climate Change Hazards :

- Extreme weather events (rain, wind, ice, etc.) leading to flooding, power failures, damage to infrastructure
- Extreme temperatures (heat and cold)
- Air quality (smog, forest fires, allergens)
- Water safety (drinking water sources, recreation water safety)
- Food (safety – contamination concerns; AND security – availability of quality food for the population)
- Vector-borne illnesses (e.g., Lyme and West Nile)
- UV radiation

Councillor Thériault requested that administration or the Department of Health look into medical waste disposal. Mr. MacDonald indicated that administration would contact Eco360 to see what happens to waste once received at the landfill.

Mayor Arnold congratulated Jack MacDonald on receiving the Transportation Association of Canada Distinguished Service award.

6.2.3 **Update** – City of Moncton Vaccination Directives and COVID Related Items
Fire Chief Landry

The City Manager advised Council that the city has implemented an employee directive on vaccinations. Any employees who do not wish to provide proof of vaccination, or are not vaccinated, will be required to wear a mask and be tested on a regular basis. This directive will be in place in October. Administration will continue to follow Provincial guidelines.

It was noted that citizens entering City Hall will not be required to show proof of vaccination

Deputy Mayor Léger requested that discussions be undertaken regarding mandatory vaccination for employees.

In response to Councillor Thériault's question, Fire Chief Landry advised it is not clear as to whether or not vaccine passport will be required to enter the Chambers – it is up to the will of Council.

6.2.4 **Update** – RCMP – Codiac RCMP Acting Officer in Charge Ron DeSilva

A/Officer in Charge DeSilva advised Council that traffic operations have been on-going in the City of Moncton by the Provincial Traffic Operations team. There is another one planned during the month of October.

The Community Policing Unit continues to work with schools, in particular safety issues.

He noted that all members will be using PPEs as COVID cases have increased.

Councillor Bourgeois asked that perhaps the RCMP update be placed at the beginning of the agenda.

7.
PLANNING MATTERS/QUESTIONS D'URBANISME

7.1 **Public Hearing** – Mountain and Terris (amend Conditional Zoning Agreement for drive thru restaurant) – No objections received.

Mr. Budd explained to Council that this is a Public hearing for the above rezoning. He indicated that no objections have been received for the rezoning.

He provided Council a background on the application. WP Holdings Limited made an application to repeal By-Law Z-213.11 and rezone the lands located on Terris Avenue near Mountain Road and bearing PIDs 00755132 & 00755124 to the Suburban Commercial (SC) Zone. The proposal will accommodate a new drive-thru restaurant with 46 seats.

The site was originally subject to a rezoning from R-2 (Two Unit Dwelling Zone) to SC (Suburban Commercial Zone) in 2015 to accommodate a two-storey retail and office complex. A Conditional Zoning Agreement (CZA) accompanied the rezoning and established a timeline of 12 months for the owner to receive a development permit. The owner was not able to meet this deadline and the rezoning approval expired.

In 2017, the Conditional Zoning Agreement was amended to provide for, among other things, an extended timeline of 60 months for the development to occur. Although this second expiry date

will not be reached until May 2022, the owner has not been able to make any headway on the development that was agreed to in the CZA. The properties remain vacant today.

The properties are now being sold to WP Holdings Limited who is seeking zoning approval to construct a drive-thru restaurant with 46 in-person seats. The site plan submitted is conforming with the City's Zoning By-Law as it related to parking minimums, setbacks, and drive-thru queuing spaces. There are two driveways to the site proposed directly on Mountain Road. No vehicle access to the site is proposed on Terris Avenue.

At the August 16, 2021 Regular Meeting, Moncton City Council passed a resolution to set a Public Hearing for September 20, 2021 for the consideration of objections to the proposed Zoning By-Law Amendment Z-220.14 as it pertains to repealing By-Law Z-213.11 and rezoning PIDs 00755132 & 00755124 on Terris Avenue near Mountain Road.

First notice of the public hearing occurred on August 18, 2021 as per the requirements of the Community Planning Act. The information was posted on the City's website, mailouts were sent to all property owners within 100 meters of the property, and a sign was placed on the property.

Further notice was published in both newspapers (Times and Transcript and Acadie Nouvelle) on August 21, 2021.

At its meeting of August 25, 2021, the Planning Advisory Committee considered the proposed amendment and recommended that Council proceed with the rezoning process.

Proponent – did not wish to address Council.

No objections were received.

In response to Councillor Bourgeois' question concerning condition number 5, Mr. Budd indicated that this would mainly be due to updated standards – e.g. a parking lot in the future may require an electric car charger.

Mayor Arnold adjourned the Public Hearing at 6:50 p.m.

Motion: That Moncton City Council proceed with the Zoning By-Law amendment being By-Law Z-220.14.

Further that the rezoning shall be subject to a resolution, including but not limited to the following conditions:

- 1) That the properties bearing PIDs 00755132, 00755124, 00752212, 00752220, 00752238, 70246137, 70246145 & 00752246 be consolidated prior to the issuance of a building permit;
- 2) That a two metre high opaque fence be located along the western property line;
- 3) That the fence be opaque and made of wood, PVC, or another similar quality material, but shall not be chain link;
- 4) That the fence and landscaping be installed and planted as soon as possible, weather permitting, but no later than six months after the completion of the building construction;
- 5) That all uses of land pursuant to this agreement shall conform with the provisions of the City of Moncton Zoning By-law, as amended from time to time, except as otherwise provided herein;
- 6) That nothing contained herein shall prohibit or in any way limit the Developer's right to apply for a variance pursuant to the provisions of the Community Planning Act; and
- 7) That the development shall be carried out in substantial conformance with the plans and drawings submitted as Schedule B.

Moved by: Councillor Richard

Seconded by: Councillor Edgett

MOTION CARRIED

7.2 Public Hearing – Rezoning application for a portion of PID 00997221 and a portion of PID 00997239 – 80 Morton Avenue

Mr. Budd explained to Council that this is a Public hearing for the above rezoning. He indicated that no objections have been received for the rezoning. A letter of concern from the Elmwood Cemetery Association has been received, and a response was forward addressing their concerns – this correspondence has been provided to Council within their agenda package.

He advised council that an application had been received from Trace Planning and Design, on behalf of Emmanuel Baptist Church, landowner, to rezone a portion of PID 00997221 from P1 (Community Use) to R3 (Multiple Unit Dwelling) and a portion of PID 00997239 from R3 (Multiple Unit Dwelling) to P1 (Community Use) to accommodate the development of a six-storey apartment building with 116 units and underground parking.

The applicant is proposing to subdivide out the subject lot and purchase it from the current landowner. The plan is to construct a six-storey apartment building with 116 units. The proposal also calls for 54 underground parking stalls and 93 surface parking stalls.

At the August 16, 2021 Regular Public Meeting, Moncton City Council resolved that a public hearing be scheduled for September 20, 2021 for the consideration of objections to the proposed Zoning By-law amendment Z-220.15. By-law Z-220.15 was also given 1st reading by Council at the August 16, 2021 Council meeting.

Public notice

- The statutory notice of the public hearing was posted on the City’s website on August 18, 2021.
- Notice was also published in both newspapers (Times & Transcript and Acadie Nouvelle) on August 21, 2021.
- Notice was mailed out to properties located within 100 metres of the subject site on August 18, 2021.
- A sign regarding the proposed rezoning was also posted on the subject property on August 18, 2021.

At its meeting of August 25, 2021, the Planning Advisory Committee (PAC) considered the proposed amendment and recommended that Council proceed with the amendment process for By-law Z-220.15 subject to resolution including but not limited to the conditions noted in the recommendation below.

Objector from the floor – Ian Gunn, President of Elmwood Cemetery – Mr. Gunn expressed the concern of the Elmwood Cemetery Association on the potential damage that would be caused by drainage from the apartment building.

Applicant – Jim Scott, on behalf of the applicant. Mr. Scott indicated that the developer has reviewed the drainage plan. An environmental impact study has been completed on the drainage. Snow will be collected and removed from the site.

In response to a question from Deputy Mayor Léger, Mr. Scott indicated that 3 units per floor will be potentially earmarked as affordable housing. These units are unfortunately not subsidized; however, they are looking at other developments that will have subsidized units.

Mayor Arnold adjourned the meeting at 7:09 p.m.

Motion: That Moncton City Council proceed with the Zoning By-law amendment subject to a resolution with conditions including but not limited to:

1. That the Subdivision Plan be registered prior to the issuance of a Building and Development permit;
2. That the lot consolidation be registered prior to the issuance of a Building and Development permit;
3. That despite section 129(2) of Zoning By-law Z-220, the required landscaped 3 metre buffer is permitted to be reduced for a section at the rear of the lot, as shown on site plan attached as schedule B;
4. That despite section 129(5)(a) of Zoning By-law Z-220, the amount of land dedicated to parking is permitted to be increased from 35% to 36.9%
5. That despite section 129(5)(b) of Zoning By-law Z-220 the depth of the façade jog is permitted to be reduced from 0.6 metres to 0.3 metres;
6. That despite Table 12.3 of Zoning By-law Z-220 the height of the building is permitted to be increased to 19.5 metres;
7. That all uses of land pursuant to this agreement shall conform with the provisions of the City of Moncton Zoning By-law, as amended from time to time, except as otherwise provided herein;
8. That nothing contained herein shall prohibit or in any way limit the Developer’s right to apply for a variance pursuant to the provisions of the Community Planning Act; and,
9. The development shall be carried out in substantial conformance with the plans and drawings submitted as Schedule B.
