The group is advocating for the adoption of a comprehensive Vision Zero policy for road safety by the City of Moncton. The core elements of such a policy would include:

- Clear goal of eliminating traffic fatalities and serious injuries
- Safe Systems Approach involving all stakeholders
- Proven safety countermeasures like road design, enforcement, education
- Data-driven approach to identify high-risk areas and behaviours

### 6.2 ADMINISTRATION PRESENTATIONS/EXPOSÉS DE L'ADMINISTRATION

15 minutes

#### 6.2.1 **Update – RCMP – Superintendent Benoit Jollette, Officer in Charge (OIC) of the Codiak Regional RCMP**

Supt. Benoit Jollette provided an update on RCMP activities:

##### **Community Policing**

On April 21st, Codiak RCMP held another Coffee with a Cop event where members of the Community Policing Unit and others had an opportunity to meet with community members and potential applicants to the RCMP.

Community Policing Unit, as well as Patrol members have already started deploying members on the Police Mountain Bike. Like every year, our members on mountain bikes, target the areas where high pedestrian and bicycle traffic are located. Codiak RCMP is currently holding another Police Mountain Bike course this week and residents may see a peloton in town over the coming days.

##### **Crime Reduction Unit**

On April 24th, the team set out to conduct an enforcement blitz on stolen vehicles. During the one-day blitz, the team was able to locate and arrest two people on outstanding warrants, issue several tickets and obtain vital intelligence on several on-going files.

Over the last weeks, the Crime Reduction Unit has continued to deploy in our downtown on a regular basis in the high traffic areas. Thanks to these patrols several warrants have been executed, and drugs have been seized. In one instance, members were in the Park & High area and observed a male on a street corner who was sought on a warrant. Despite the matter escalating into a foot pursuit, the male was caught and arrested.

##### **General Investigation Section / Major Crime Unit**

Over the last month, Codiak RCMP has been very busy investigating a serious case of human trafficking where sex was involved. An 18-year-old woman residing in the Greater Moncton Region, has been charged in connection with the investigation.

On April 12, 2024, members of the Codiac Regional RCMP received a call requesting a wellbeing check on a young female at a residence on Ward Street in Moncton. Police attended the residence and determined that the female had been reported as missing from Ontario. The investigation later revealed that she had been brought to the area and was a victim of human trafficking.

On April 16, police received a call requesting assistance at a residence in Dieppe. Police attended the scene and located another young female who had also been reported as missing from Ontario, and was also believed to be a victim of human trafficking. Police also located an adult woman from Quebec who was a victim of human trafficking at the residence, and arrested an 18-year-old woman at the scene in connection with the investigation.

On April 17, the female appeared in Moncton Provincial Court, and was charged with:

- Two counts of exercising control over the movements of a person under the age of 18 for the purpose of facilitating their exploitation
- Making child pornography
- Advertising an offer to provide sexual services

The Codiac Regional RCMP General Investigation Section was assisted by several specialized units during this investigation; the woman was remanded into custody and the investigation is ongoing.

On April 12<sup>th</sup> Codiac Patrol members responded to a Home Invasion on Belfry Street. Upon arrival, members located the victim who had been hit with the butt of a handgun, inside the residence and robbed. Several suspects were identified and extensive patrols were made. The investigations lead members to a storage locker in Moncton where they believed firearms were located, including the weapon used during the home invasion. Members executed a search warrant at the storage locker and on an associated vehicle. Several firearms, ammunition, other weapons and a various quantity of drugs were found. The primary suspect was found on scene of the storage locker and taken into custody. He was charged with nine different offences and remanded into custody.

#### **Patrol**

Officers continue to be busy on various calls for service in the Codiac area and focus our efforts on providing visibility in key areas.

From April 19-21, members of Codiac Patrol were assigned to dedicated patrols to the Radical Speed Sport event at the Moncton Coliseum. Thanks to the dedicated presence, we were able to work with event organizers to ensure public safety for all who participated and also resulted in no incidents from occurring.

On May 15<sup>th</sup>, several members from Codiac RCMP were dispatched near Bessborough School around noon, after reports of an explosion. Codiac deployed all available resources, including Patrol members, General Investigations Section, Community Policing, Crime Reduction Unit, Remotely Piloted Aircraft, Police Dog Service and our Explosives Disposal Unit and discovered that the explosion had been caused by a power line transformer. No one was hurt during the incident however it caused significant stress for students, staff and family members.

#### **Tactical Traffic Enforcement Unit**

On May 3<sup>rd</sup>, the New Brunswick Tactical Traffic Enforcement Unit was in the Codiac area. Codiac Patrol members participated in the one-day operation and during the traffic blitz, they focused on areas which had previously been reported as problematic. The results of the one-day blitz were as follows:

- 118 Traffic Tickets, several dedicated traffic check stops where we looked for unsafe vehicles, where three were towed away.

#### REPORTS FROM ADMINISTRATION

##### 10.1 **Presentation and Award of RFQ23-069** – Police Facility Public Art – Joanne Duguay & Artists, Brian Francis and Jean Hudson

Ms. Duguay provided a PowerPoint presentation announcing the award of the new public art piece for the new police facility and introduced artists chosen to create this piece. Artists, Brian Francis and Jean Hudson provide additional details on the piece and their vision:

The art piece will be called “Spirit of Reconciliation” and the main portion of it will be the vibrant red coloured life sized (16’) metal ocean hunting canoe that features square and rectangular sections of plate steel to symbolize birch bark.

The piece will reference the era where Mi’Kmaq traditions and ceremonies were not possible to practice. The height (pillars) represents how the law and colonialism forbid the access to the knowledge and wisdom of the inherit journey (which is presented as a birch bark canoe) passed down from the Mi’Kmaq ancestors. By lifting the canoe off the earth, it symbolizes the great divide of Indigenous people and their culture. The piece also honours and remembers the disconnection and loss of language, culture, and ceremony.
