## Harold Dale **TURNER**

---

### Athlete – Hockey

Dale Turner was an excellent athlete, excelling in both baseball and hockey. In 1971, he was a star athlete at Moncton High School and went on to lead the Saint Mary's Huskies to four AUAA Hockey Championships and three National finals. In his 1973-74 season, he was the AUAA leading scorer and named to both the AUAA first all-star team and All-Canadian Hockey Team. After university, Dale played professional hockey in Holland where he established a new scoring record; 69 goals in 31 games, which still stands today. When he returned to Canada, he continued to play in New Brunswick and was part of the Hardy Cup National Champion Moncton Hawks team in 1979. Not only was he a tremendous athlete, but a well-respected coach by all.
