INDUCTEE

Moncton KEEFE CUBS (1968-1971)

Team – Baseball

The Moncton Keefe Cubs Junior Baseball Team won four consecutive provincial championships between 1968 and 1971 and three consecutive Maritime championships from 1968 to 1970. The Cubs became the first Moncton junior baseball team to medal at a national championship, placing third at the 1970 National Junior Championships – a feat that remained unmatched until 2018. It remains the only Moncton team to win three consecutive Maritime junior titles. This exceptional group of young athletes dominated junior baseball in the Maritimes during their time together and inspired young baseball players across the region.
