Brian **RICE**

Builder – Curling

During his 45 years of involvement in curling, Brian Rice has shown tremendous dedication to the growth and development of the sport here in Moncton, as well as provincially, nationally, and internationally. He has shown commitment to curling at high school, junior and provincial levels by coaching and facilitating courses all over the Maritimes, across the country and beyond. Over the years, Brian has conducted over 100 courses through the National Coaching Certification Program, and he was an instructor at World Curling Federation junior and adult curling camps in Germany and Czech Republic. Numerous curlers that Brian has coached have gone on to participate in provincial, national and world championships. Brian has been recognized through many prestigious awards, including male Coach of the Year in 1990, and in 1995 he was awarded an Honorary Lifetime Membership to the NB Curling Association. Brian has established himself as a role model and his leadership qualities have been demonstrated through the various positions that he has successfully held throughout his remarkable career. Even today, he continues to educate himself to stay up to date with the sport's evolution, something that he leverages into his coaching and instructing.
