

2004 INDUCTEE

James "Jim" **KEEFE**

Builder - All Round

Moncton businessman and Cape Breton native Jim Keefe played every sport - baseball, boxing, rugby, basketball and curling - but his list of achievements is particularly attached to golf. He broke course records, including a 66, and won numerous tournaments, but his passion for the game also brought organizational results to the various clubs in the Moncton area. Over the years, Jim served as club president, captain, tournament organizer and sponsor as well as head professional.
