## Donald Carr **RAMSEY**

---

### Builder – Hockey / Baseball

Father figure, mentor, sports promoter and team sponsor - all these titles fit Donald Carr Ramsay whose numerous hockey and baseball teams provided stepping stones for hundreds of young players as they moved up the sporting ranks. It's estimated that more than 700 athletes honed their skills under his sponsorship, including numerous Wall of Fame inductees. A native of Prince Edward Island, Ramsay lived in Moncton from 1955-63 and again in 1973-92. In those years he started and financially sponsored many teams, including the Moncton Beavers (Hawks) who won five Maritime hockey titles in five seasons. His Moncton Aces/Cubs won five baseball titles, including the two Maritime Senior Championships, a first in Moncton history.
