Charles **LEGER SR.**

Builder – Hockey

If it were not for Charlie Leger (1936-1983), the Lewisville Minor Hockey league may not exist as it does today. His countless hours spent as administrator, official coach, organizer, president, director of equipment, tournament organizer, registration organizer and fundraiser have made the Lewisville Minor Hockey League what it is today. He established the canteen at the Kay Arena, which still runs today on 100% support from volunteers. Charlie Leger was given the award of recognition from Canadian Amateur Hockey Association in the early 1980s, marking his years of commitment to the city and his devotion to the sport of hockey.
