## Builder – Hockey

For Gene Gaudet, the winning began with the Moncton Junior Beavers in the 1950s and continued for several decades, culminating in the Stanley Cup. Gene went from playing the game of hockey as a youth to studying sports and physical therapy as an adult. He served the Montréal Canadiens as chief physical therapist when they won the Cup. A member of the NB Sports Hall of Fame, he founded a company specializing in physical rehabilitation and wellness.
