Rev. Peter MCKEE

Builder – Hockey

Best known as part of the Flying Fathers Hockey Team, Rev. Peter McKee was part of a group of priests who travelled the world from 1971-93 playing hockey and raising millions of dollars for charities. A natural hockey player, Rev. McKee chose the priesthood over a career in the game, but he continued to play in many leagues and also coached high school teams from Moncton High and Vanier/Mathieu-Martin. Under his coaching, the Moncton Junior A Beavers won the NB Junior A Championship.
