Vance **TONER**

Builder - Sports Administration

Prizes such as the Order of Canada and the Air Canada Coaching Award underscore Vance Toner's contribution to sport, education and young people in New Brunswick. A founder and first director of the School of Physical Education and Recreation at the Institute of Leadership at Université de Moncton, Vance has contributed to many sports initiatives in this province and the nation. He has consulted on sports for the federal government, served as a member of Canada's Olympic Hockey Committee and is a member of the NB Sports Hall of Fame.
