

2022 INDUCTEE

Moncton Rallye Motors **NISSAN FLYERS** (2021-2022)

Team – Hockey

The Moncton Rallye Motors Nissan Flyers were the first U18 hockey team from New Brunswick – and only the second from Atlantic Canada – to win the TELUS Cup, Canada's National U18 Club Championship. The Flyers had a standout season, first winning the 2021-2022 NBPEI Major U18 Hockey League regular season, with six of the top 10 scorers in the league hailing from the team. In the playoffs the team went 19 games without a loss, capturing the New Brunswick Major U18 Championship, the Atlantic Major U18 Championship, and finally the TELUS Cup. The team showed exceptional dedication throughout the season, particularly when pandemic protocols meant almost two months of practising off and on ice alone. The team's success served as a rallying point for the community and their dramatic overtime win in the final at the TELUS Cup capped a dream season.

The team included: Conrad Allen, Sam Bastille (assistant coach), Jean-Philip Boudreau, Philippe Collette, Matt Cooling (assistant coach), Brandon Cormier, Cooper Cormier, Jarrett Crossman (assistant coach), John DeCoursey (coach), Brett Doyle (manager), Xavier Farrah, Joseph Finnigan, Spencer Gill, Thomas Hendrickson, Dave Kennedy (goalie coach), Jonah Leard, Samuel LeBlanc, Preston Lounsbury, Stephen Macpherson (assistant coach), Jack Martin, Marco Martin, Noah Matulu, Brandon Mullins (assistant coach), Luke Patterson, Carole Poirier (therapist), Jérémie Richard, Austin Sanchez, Jessica Sears (trainer), Zachary Wheeler, and Cam White.
