## Jeff **JONES**

---

### Builder – Wrestling

There is no coach more dedicated, devoted, and committed to the sport of wrestling than Jeff. He began his coaching career in 1987, building an inclusive, recreational, and competitive environment. He built the program from the ground up, laying the foundation for him to eventually establish the Mountaintop Club in 2007. His club extends from the novice level to elite competitive wrestling. He has coached elementary, middle and high school, university and Canada Games; some of his athletes have competed at World Championships and the Commonwealth Games. He has served and continues to serve on a great variety of organizing committees. He has won numerous awards such as the Canada Games Roly McLanahan Award in 2009 and received NB Coaching Excellent Award from 2009-2014 which recognizes coaches with national medalists. In 2017, Jeff was presented with the Konica Minolta Sports Award-Lifetime Volunteer Achievement. This award, which is selected from an elite group of coaches who represent all amateur sport in the province, recognizes the immense accomplishments of one NB coach per year. Many of his athletes have gone on to become strong contributing members of the society, community leaders, champions, and they through his guidance have cultivated unwavering passion for the sport of wrestling.
