

2013 INDUCTEE

CYHI / CYO (1957-1959)

Team – Basketball

The St. Bernard's CYHi / CYO Junior Basketball Teams (57 to 59) were winners on and off the court. They played in the highly competitive Moncton Senior Men's Basketball League, because there was no Junior League for them to compete in at the time. From 1957 to 1959, they achieved a 75% winning percentage. The team won three consecutive Maritime Junior Championships, played in the Eastern Canadian Championship and reached the Semi-final of the Canadian Championship. They brought recognition and honour to Moncton, the Province, and the Maritimes as a whole with their competitive spirit and desire to play the game they loved.
