## Moncton **SCHOONERS** (1961-1968)

---

### Team – Basketball

They are known by many names: the Moncton Schooners, St. Pat's Colleens, Assumption Youth Centre Corvettes and the Moncton Hi-Queens. All the names stand for one thing: excellence in women's basketball. The teams won the Moncton and District Women's Championships and the NB Senior A Women's Championship throughout their history and held the Maritime Senior A Women's Championship title for several years. Many players also coached at local community centres, giving children a love of the game.
