Moncton **MAGNETICS** (1981-1985)

Team – Soccer

The Moncton Magnetics were an all-girl soccer team, one of the first of its kind in New Brunswick. Over five years, they won five Provincial and Atlantic Championships and participated in three National Championships. In 1984, they were the first Atlantic team to compete in the Canadian National Championship held in Calgary, Alberta. This team put girl's soccer on the Atlantic and National map and paved the way for future players in New Brunswick.
